Product Description

336D High-Capacity Caterpillar Excavators 620 Fuel Tank Capacity 5 Travel Speed

Product Description:

Used CAT Excavators are the perfect choice for any heavy-duty digging job. Boasting CAT's reliable and powerful Cat®C7 engine, these used diggers offer maximum digging heights of up to 9660mm and a bucket capacity of 174, making them ideal for large-scale projects. CAT excavators are renowned for their durability and dependability, and if you're looking for a used digger that can withstand the toughest conditions, then a CAT excavator is for you. With over 2021 years of experience in the digger industry, you can rest assured that your used CAT excavator will offer reliable and consistent performance. Whether you're looking for an excavator for a long-term project or a single job, you can trust a used CAT excavator to be up to the task.

Technical Parameters:
